# matterport®

All-in-One Reality Capture

- Construction documentation
- As-built designs
- Facilities management

Matterport's quick and easy-to-use platform is proven to help you be more efficient and cost-effective. Spend less time in the field and office by creating immersive, realistic, and complete representations of any place that can be shared with anyone, anywhere.

Hire a photographer:
to scan your site faster than a laser scanner

Upload your site:
our cloud software will do the rest

Share your site:
email collaborators a simple link

Just a few of Matterport's customers

Construction documentation

- ✓ One file, replacing thousands of photographs
- ✓ Effective communication with key stakeholders
- ✓ Permanent, annotated records at every milestone

> " *[With Matterport]
> we are now able to capture
> construction conditions for
> documentation on a single file
> and share that information
> as needed as opposed to
> managing 30,000+ individual
> photographs.*"

William Plato, *VDC Manager, Hensel Phelps*

5/8

As-built drawings

- ✓ Easily create point clouds and OBJs
- ✓ Import into any CAD software
- ✓ Take measurements from every angle

> " *The Matterport Pro camera has allowed us to complete
> designs in hours that would have otherwise taken weeks.*"

-Eric Wiens, *Project Engineer, CIMA+*
